Janper

Janper is an Australian owned family company with over 50 years experience in the cabinet making industry.

Design, production and quality assurance systems are assessed regularly with on-going training and updating of systems to maintain the highest calibre of finished products that has made Janper a leader in the manufacturing industry.

Janper's range of doors expand daily being limited only by our customer's requirements or imagination.

Janper doors and panels are used successfully in both domestic and industrial applications such as restaurants, schools, offices and in particular kitchens.

If you are looking for the best quality at a lower than expected price, look no further.

We guarantee it.*

PUR edging gives Janper Acrylic and Janper Edge panels heat resistance and a water proof seal.

Visit our show room or your local cabinet maker for a colour sample swatch to see our full range of colours and finishes.
